Set up charge- First order	1	\$100.00	\$100.00

Material is 1/4" ground Mic 6 aluminum alloy provided by Micro Waterjet. Cost is calculated based on critical features to be cut +/-0.05mm, and the 3mm holes cut for dowel pin press fit.

Set up fee for repeat orders of the same part will be \$50.00

Standard delivery will be 5-7 business days ARO and receipt of material.

Price does not include shipment of parts. Cost of shipment can be added to invoice or customer can provide account number for selected carrier if desired.

Payment terms are net 30 days after delivery of goods.

Best Regards,

Steve Parette
