

January 29, 2008

To whom it may concern:

This letter is to confirm Robin E. LaFever's employment status in the Engineering Division at Lawrence Berkeley National Laboratory. Mr. Lafever has been employed by the Laboratory since August 29, 2007 as a Mechanical Engineer (E10.3). See enclosed document.

Lawrence Berkeley Laboratory conducts unclassified research across a wide range of scientific disciplines with key efforts in fundamental studies of the universe; quantitative biology; nanoscience; new energy systems and environmental solutions; and the use of integrated computing as a tool for discovery.

If you have any questions regarding Robin E. LaFever's employment status at Lawrence Berkeley National Laboratory, please contact me at 510/486-7506.

Sincerely,

Rita McLean
Senior Human Resources Generalist
