	<b>ESTIMATE INCLUDES MACHINING AND UHV CLEAN.</b>				<b>Total:</b>	<b>\$2,824.98</b>	

*This document serves as an estimate for budgetary purposes. Generally one should expect actual costs to be within approximately 15% of this estimate. The labor portion of this estimate is based on a project carrying the General Burden and assumes our average employee salary. Your Budget Analyst can help you to determine actual effort costs based on the burdens your particular project is subject to, as applied to the "Total Labor Hrs." field above.*
