This document serves as an estimate for budgetary purposes; it does not constitute a formal, binding quotation.

Generally one should expect actual costs to be within approximately 15% of this estimate.

Neither material acquisition nor effort will commence before the customer responds to dfestimate@lbl.gov indicating their desire to proceed.

For questions or comments regarding the estimate process, please contact Guy Pulsifer: 510 486-6090 or grpulsifer@lbl.gov
