Dear Eric,

In response to your request, YLA, Inc. is pleased to offer the following quotation for advanced composite materials:

Item 1	
Description	EX-1515 / K13C2U 2K Unidirectional Prepreg – 12"
Nomenclature	265F Cyanate Ester / Graphite
Specification	None Specified
FAW	80 gsm, nom.
Dry Resin Content	28%, nom.
Quantity	100 sq. meter
Unit Price	\$358.51 / sq. meter
Mechanical Testing	None Specified (if mechanical testing is required, a test charge will apply)
Shipping Lead-time	6-8 weeks after receipt and acknowledgement of order

Conditions of Quotation

1. Tolerance of plus or minus 10% applies to all quantities shipped.
2. Shipping lead-time is based on raw material availability and production schedule at time of quotation, and does not include days in transit to shipping destination.
3. FOB: Origin. Price does not include freight, export fees, customs, duty or taxes. All shipments will be made "Freight Collect" or billed to customer's account (not prepaid). Customer Purchase Order must specify freight carrier and account number.
4. Temperature Recorders will be used for all international shipments, and whenever required by the customers specification or Purchase Order, and will be billed at \$45 each.
5. Payment Terms: Net 30 Days, upon approval of credit and/or review of accounts receivable payment status at time of order placement.
6. Quoted Price is valid for 30 days.

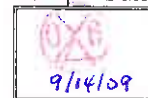

We appreciate your consideration of YLA advanced composite materials for this application and look forward to working with you on this and other programs.

Sincerely,

Reyna Balenbin
Customer Service Manager
