CREATING VACUUM AND LEAK TESTING SOLUTIONS

RENTAL TERMS AND CONDITIONS

GENERAL

The undersigned is responsible for the operation, care, maintenance and safety of the equipment during the rental period. Any personnel operating the equipment must be trained. Please review the operating instructions included with the equipment before operating. Follow all start-up, operating, safety and shutdown procedures as outlined in the operating manual provided. LACO does not guarantee or certify any leak testing results generated by the rental equipment. The undersigned is responsible and liable for any leak testing certification and results.

RENTAL RATES

All rentals require credit card payment or an existing Open Account. Contact LACO to arrange for alternate terms of payment. Rental charges will begin on the day the item is received or picked up by the customer. The rental will end on the day the item is returned or the day it is shipped back to LACO based on the freight tracking #. Contact LACO for monthly or extended rental rates. Rental fees are charged upon shipment of the rental equipment. Additional rental time due to extended or late rental returns will be charged upon return or upon requests for additional time. No credits will be provided for early returns (1 week min) or for lack of usage.

INSURANCE, DAMAGE, LOSS, OR THEFT

The undersigned is responsible for damage, loss or theft of the equipment during the rental period. Identification of any possible damage is subject to inspection by LACO. The undersigned is responsible for payment of reasonable costs to repair or replace the equipment due to loss, theft or damage. It is highly recommended to verify business insurance coverage of rental equipment in possession. Shipping insurance is mandatory on return shipping for the value noted. LACO Technologies reserves the right to charge the provided credit card to cover the damage, loss or theft of the rental equipment.

SERVICE AND REPAIRS

The undersigned is not authorized to perform repairs or maintenance on the equipment. All repairs or maintenance must be performed by or under the direction of LACO personnel. In the event of equipment failure or operational questions please contact technical support at 800 465-1004.

EXCESSIVE WEAR AND TEAR OR EQUIPMENT ABUSE

When operated properly the equipment should experience minimal wear and tear during the rental period. If it is determined that upon receipt and inspection of the returned equipment there has been excessive wear and tear or abuse the customer shall be charged for repair. This includes but is not limited to contamination of the equipment by chemicals, water, or excess particles, or running the equipment without the proper type or amount of lubricant.

TRANSPORTATION, STORAGE, AND SHIPMENT

The equipment shall be packaged to prevent damage due to shock, excess vibration, and weather during storage, transporting, or shipment. Supplied wood shipping containers must be returned. All shipping charges are to be paid by the customer. All items to ship insured per the indicated value. Portable leak detectors must be returned via an overnight or two day delivery service. Warranty credits or replacement units will be provided at no charge in the event of a rental failure, however all shipping charges are paid by the customer.

EQUIPMENT NOTES

MASS SPECTROMETER HELIUM LEAK DETECTORS

The leak detector shall be installed on a system and operated such that it will not be subject to sudden air in-rushes or excessive water vapor while in test. The leak detector can be moved while in operation. However, avoid excessive movement or shock while the system is in operation. Leak testing rental equipment is not designed, rated or allowed for use in leak testing applications involving corrosive materials, water, high concentrations of oxygen, hydrogen or radioactive materials. Any abuse may result in equipment damage or equipment explosions.

PORTABLE SNIFFING HELIUM LEAK DETECTORS

Do not use the leak detector to sniff an item contaminated with liquids or particles on its surface. Insure the item is clean prior to sniffing.

I, the undersigned, have read and understand the above terms and conditions. I understand and feel confident operating the equipment and am responsible for training and use of the equipment by other company personnel.
